Zarraffa's Coffee

From humble beginnings in the back streets of Southport, Zarraffa's Coffee is a true Queensland success story opening its 35th store on May 18 in the Darling Downs region of Toowoomba. The store heralds a new chapter for the group as it opens the second drive through concept store.

2009 will see the group open a further five stores despite the global financial crisis. This year, Zarraffa's Coffee are ranked 20th in the BRW Fast Franchises.
