DAMIAN and Giarne Doyle's decision to open a Zarraffa's Coffee shop in Toowoomba was justified on Monday when they had 94 drive-through customers in less than six hours.

"That's a lot more than I thought. It's really encouraging," Mr Doyle said.

The Doyles opened the store on the corner of Anzac Avenue and James Street at 5am Monday.

The cafe part of the store was also busy with people already using the venue for business meetings or catching up with friends.

Mr and Mrs Doyle bought into the Zarraffa's Coffee franchise to bring something new to the local cafe scene.

"With the convenience of a drive-through we can cater for the early morning trade which includes shift workers," Mr Doyle said.

Mr Doyle said buying into the franchise was a great opportunity to move back to the Darling Downs where Mrs Doyle grew up.

The store's grand opening will be this Saturday with face painting and balloon artistry from 10am until noon.

Zarraffa's Coffee, with The Chronicle, is giving away a holiday to the Hyatt Regency Sanctuary Cove plus 200 free drinks. Make sure you buy The Chronicle this Saturday and Monday for details on the great giveaway.
