

Get another coffee for the road

Detpak is a renowned supplier of Specialty Packaging Solutions to Cafés and Coffee Roasters. Innovative packaging concepts combined with Detpak's expertise in producing outstanding print designs, ensures our customers' brands enjoy greater impact in their target market.

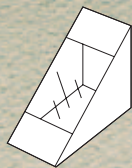

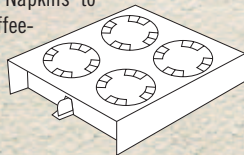

Detpak is a member of the worldwide Detmold Packaging Group, a HACCP and ISO 9001 accredited Paper and Board Packaging Manufacturer. Detpak's premium quality packaging products are synonymous with offering a level of value beyond other products.

Hot Cups, Lids, Trays & Napkins

Many popular sizes of premium quality cups are available in the Detpak hot cups range. Customers can choose smooth wall hot cups or Detpak's famous

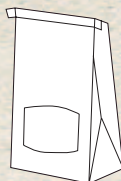

Ripple-Wrap™ Cup – the unique cup with a corrugated wrapping for extra insulation and comfort. Also available are black and white Lids suitable for all cup sizes, premium quality Drink Trays and Napkins to

complete your coffee-to-go offering.

Deli Wraps, Window Baguette Bag & Window Sandwich Wedges

In the lunch market, presentation is of key importance and Detpak's packaging products are the ideal choice. Products include Window Baguette Bags and Window Sandwich Wedges – these up-market alternatives to common plastic provide perfect product viewing via clear fog-free windows. As paper based products, these also offer excellent branding opportunities when custom printed. Also available is Deli Wrap, a lightly waxed paper, popular for wrapping rolls, sandwiches and pita wraps.

Flat bags, Takeaway Food Bags, Carry Bags, Impresso™ Bags & Retail Bags

Detpak offers a large range of bags made from the highest quality paper. The range includes Flat and Satchel Bags for sandwiches, rolls, cakes and biscuits, Takeaway Food Bags and Carry Bags with reinforced twisted or flat folded handles. Created especially for coffee roasters, Impresso™ is the super bag that preserves the freshness of coffee via its hidden one-way valving system, which allows gas to escape and air not re-enter. Also available are Retail Bags, with optional windows and tin ties, perfect for all types of gourmet foods and smaller quantities of coffee beans.

Delpak and Zarraffa's Coffee

The first to adopt the Ripple-Wrap™ Cup in Australia.

"Zarraffa's Coffee is a proud pioneer of this highly innovative cup which millions of satisfied lips experience every day. As with all Detpak products, we are delighted with their quality and the value they offer our business in promoting Zarraffa's unique branding message - 'an individually perfect cup of coffee every time'." > Kenton Campbell, Zarraffa's Coffee Managing Director.

Zarraffa's Coffee outlets serve quality cups of coffee and offer a range of complimentary gourmet biscuits and slices. Since opening the first store at the Gold Coast in 1997, and franchising in 2001, Zarraffa's now has stores in Brisbane, the Sunshine Coast and Gold Coast. All Zarraffa's Coffee outlets use custom printed Detpak packaging including Ripple-Wrap Cups™, Trays, Napkins and Bags.
